# C

Cosson, David. "Zen and the Art of Convergence." *The association's own Zen Master explains how the transporter-creator distinction is blurring, and gives other tales from the advent of the information superhighway.* (November/December, pg. 43).

Crawley, Melinda Selmon. "Telemarketing—Is It for You?" *With careful planning, the support of top management, and a focus on customer needs, small telcos can make the most of telemarketing and the opportunity it presents to provide customer benefits.* (September/October, pg. 14).

Cronin, William J. "Catching Up with CAPs." *"Outsiders" are not the only ones that can become competitive access providers. Under appropriate conditions, small telcos can join this growing side of the telecommunications business.* (January/February, pg. 20).

# D

Doggett, Eric. "How They Made Their Networks Work." *They provide service to rural subscribers in different parts of the country—the far West, the south-central, and the southeastern United States. The progressive thinking of these three rural telcos is the same, however: to outfit their networks to better meet the challenges of a changing rural marketplace.* (May/June, pg. 20).

Douglas, Joe. "Telecommunications Relay Services: What Customers Expect; What Telephone Companies Must Do." *A NECA representative explains how telcos contribute to the service that enables people with speech or hearing impairments to enjoy full access to the telephone network.* (November/December, pg. 20).

Duffy, Gerald J. "Ten Commandments for Surviving CATV Rate Regulation." *By following these guidelines, small telcos that offer cable television service will improve their chances of working through the maze of revised federal regulation.* (July/August, pg. 35).

# F

Falcao, Glenn. "Bringing the Intelligent Network to Rural America." *Case studies show how three rural telcos are incorporating AIN capabilities into their systems—to meet customer demand and to thwart competition.* (September/October, pg. 23).

Farrell, Christopher and Michael J. Mandel. "What's Good for Telecommunications Will Be Even Better for the U.S. Economy." *Two economists predict how the information superhighway and the resulting demand for telecom products and services will fuel the country's economic growth.* (March/April, pg. 24).

Felter, Jim. "A Prophecy Fulfilled: Building the Lakota Community." *For the past several years, the Cheyenne River Sioux Tribe Telephone Authority has dedicated itself to the area's economic development. Now the telco and its subscribers are seeing the fruits of labor.* (November/December, pg. 14).

# G

Griffin, Gabrielle. "Meeting Emergencies Head On." **RISKY BUSINESS.** (July/August, pg. 50).

# K

Kedjidian, Catherine B. "Sober Facts About Drunk or Drugged Driving." **RISKY BUSINESS.** (September/October, pg. 49).

Keller, Larry P. "How Can Your Telco Expand Its Franchise?" *While others lament the opening of the local exchange, this author points out how independent companies should use the lessons taught by the local franchise to expand their horizons.* (January/February, pg. 14).

# L

Lasota, Linda C. "Let's Go Crazy! It's Fun, Profitable, and Promotes Teamwork." **TAPPING YOUR MARKETS.** (March/April, pg. 41).

Lockwood, Kristin Francis. "Telecommuting Brings the Office to Your Doorstep." *Urban workers from across the country have traded in their hectic schedules and long commutes for a simpler lifestyle and more efficient work environment, while staying connected to their same jobs via the phone lines.* (March/April, pg. 10).

—. "The Leading Edge: A Closeup of NTCA President Cheryl Borth." *NTCA's new president tells Rural Telecommunications her views on the industry and explains what she hopes to accomplish during her tenure.* (July/August, pg. 20).

# M

Moffat, Dan. "Eye on the EXPO." *New NTCA Member Brings Calling-Card Convenience to Rural Customers—Exhibitor Focus on AIS Telecommunications.* (May/June, pg. 46).

—. "PCS Success." **TECH TALK.** (July/August, pg. 45).

## Statement of Ownership, Management, and Circulation

(as required by 39 U.S. Code 3685)

*Rural Telecommunications* (Publication #430700) is published bimonthly by the National Telephone Cooperative Association (NTCA). The publisher's mailing address and known office of publication is 2626 Pennsylvania Ave., N.W., Washington, DC 20037-1695.

The annual subscription price of *Rural Telecommunications* is \$15 for NTCA members and \$30 for nonmembers.

The managing editor is Lisa Westbrook. Her business address is 2626 Pennsylvania Ave., N.W., Washington, DC 20037-1695.

NTCA is a nonprofit, cooperative association; there are no stockholders.

The purpose, function, and nonprofit status of this organization and the exempt status for federal income tax purposes has not changed during the preceding 12 months. The actual date for circulation data is November/December 1994. The extent and nature of circulation is as follows:

	Average number of copies of each issue during preceding 12 months	Actual number of copies of single issue published nearest to filing date
Total number of copies:	4,983	4,800
Paid and/or requested circulation sales through dealers and carriers, street vendors, and counter sales:	-0-	-0-
Paid and/or requested mail subscriptions:	4,144	4,180
Total paid and/or requested circulation:	4,144	4,180
Free distribution by mail:	207	158
Free distribution outside the mail:	127	20
Total free distribution:	334	178
Total distribution:	4,478	4,358
Copies not distributed:	505	442
Return from news agents:	-0-	-0-
Total:	4,983	4,800
Percent paid and/or requested circulation:	93%	96%

— and Jerry Miller. "The Urge to Merge." *Once the telco-cable cross-ownership restriction is lifted, as seems inevitable, more and more telcos and cable companies will experiment to see how the sum of their parts can make an unbeatable whole.* (March/April, pg. 27).

Moorman, Thomas J. "The Regulatory Environment for CAPs: Is Uncertainty Creating Opportunity?" *Does the current regulatory environment favor independents becoming competitive access providers as Bill Cronin suggests? Here's a legal look at some of the possibilities and pitfalls.* (January/February, pg. 24).

O

Ohlhausen, Peter E. "Taking It to the Top." *Twelve women telephone company managers describe their paths to the top and what it's been like since they got there.* (July/August, pg. 14).

Orent, Robert W. "The Three Myths of Universal Service." *A telco manager dispels some common arguments against the preservation of universal service.* (July/August, pg. 29).
